DEPARTMENTS

-

Reports were dispensed with to address the matters at hand: a talk by Canadian Racing Legend Ron Fellows and the presentation of the BARC 2017 trophies.

-

Ron spoke to an unusually large crowd for a General Members' Monthly Meeting. He talked about his racing history, his involvement with CTMP, the upgrades which have been completed and those which are still to come. He spoke of his future plans and hopes for the track and answered questions from the members and guests present. He has great ideas; there were also many suggestions from those present. The good news for race fans is, the track certainly seems to have a bright future.
