SOCIAL

Howard Cohen

Howard has arranged a tour of the Canadian Automotive Museum on April 28th, the cost will be \$10 per member.

He will speak to Peter Klutt at Motorama about arranging a tour of Legendary Motorcar.

Paul Einarson suggested a tour of the Sam McLaughlin estate in Oshawa. Howard has looked into it, and it is a little harder to arrange as they need to know the exact number of people expected and they must arrive punctually.

REGIONAL RACE/ORO

David King, Race Director

In past years to run in a Regional Race, drivers needed both a CASC and an ASN licence. This year an ASN licence is suffice to compete.

Review of officials' licences criteria is underway. Content and requirements are being reviewed and updated.

The race at Calabogie the weekend of June 2-3, 2018 will be a CASC Region Race.

Weekend report

Another ice race weekend is in the books and I think we can count this one as another success. This was of course due in a large part to all the great volunteers that came out to help. It was great seeing a number of new faces and younger faces in new positions. Makes my job easier.

The weather turned out better than expected. We had a high of +4 on Saturday but no rain. The track held up well with just a lot of water on top. We did reduce the last 5 races of the day to 10 laps to save the track. Sunday was colder with a high of +1 It made for an excellent day of racing. We had a total of 139 entries over the 2 days. We had 3 racers take advantage of the new one time temporary license. One of those racers was our own Phil Delahaye's daughter Diana. She looked great out on the track with her instructor Bryan Rashleigh.

Our worker dinner on Saturday night was held at Mark's Chinese Food Restaurant in Minden. We had 24 sit down for a buffet dinner. I awarded the usual trophies. The Slip n Slide Male went to Nick Pegg because if it wasn't for his ice cleats he would've been slippin and slidin all over the track. The Slip n Slide Female went to Diana Delahaye for her slippin n slidin around the track in an ice racer. The best headdress went to Kim Quigley for her patriotic Canada 150 toque. Our new award this year was the Best Short Joke. This went to Andrew Majik, not so much for quality but for quantity.

I am still working on bills and receipts but it looks like this year will be profitable year.

Thank you again to all the volunteers that came out and braved the cold to put on a great weekend of racing. All this great help makes my job easy.

Respectfully submitted

Wayne Wanamaker

Ice Race Organizer

Russ Bond has presented an idea for a new series for Ice Racing. He is trying to organize a

new rear wheel drive stud class, using 2001 to 2004 Lexus IS300 sedans. This will help promote the rear wheel drive stud class. It would be a race within a race as they would run with other rear wheel drive cars, but the Lexus cars would also have their own point system. Russ is looking at different options to attract drivers.

The last weekend of ice racing was cancelled on the Sunday due a track surface which was melting, creating visibility and safety concerns.

Jonathon Rashleigh is at the end of his term as Ice Racing Director, and will continue in the position for two more years.

NEW BUSINESS

Paul Einarson thanked all the people who volunteer their time to arrange CASC events including Scott Ellsworth, Jonathon Rashleigh, David King, Howard Cohen and all the Stewards. They help to maintain a very high level of racing in the Region.
