We are looking for competitors for our Tourist Trophy Race weekend, including out of region racing series. There is an American V8 series who have already added us to their schedule.

Scott is looking at ways to attract competitors, if you have any ideas, please share them with him.

Mary Lobban asked about the 2018 Race Regulations. They are in draft form and being circulated and should be sent out soon.

A decision has not been made on the length of the endurance race, but 1 to 1.5 hours is being considered.

Bill Lobban suggested a drivers' survey to see what they would like to see happen on a race weekend. He suggested

a face to face survey if possible.

Any competitor with an ASN licence may run at a CASC event, however if they would like to score points they must be a member of a CASC club.

Richard Muse of the Ottawa Sport Car Club is updating the rulebook; please contact him if you have any suggestions.

It was requested that new or updated items should be in a bold font, as it makes it easier for officials to review the changes. The rules should be out by April 9th.
