There were lots of interesting cars, both Howard and Bryan Rashleigh shared addition information on their knowledge of the cars with the tour guide and members.

#### **ICE RACING**

**Wayne Wanamaker, Ice Race Director**

There was an Ice Racing meeting held at the home of Ice Race Director, Jonathan Rashleigh. All six clubs were represented and there were two members of the Minden Kinsmen club.

Larry Laycock will be ordering studs again this year and anyone who needs them should contact him directly.

Jonathan has asked to clubs to ensure they are completing random checking of tire studs.

Russ Bond has secured some financial support from Lexus Canada for the Lexus street stud class he has proposed. This will be for Lexus IS300 cars built between 2001 and 2004.

The one day trial licence program, which was in place this year was successful as there were 10 drivers who tried it and 4 of them bought cars. This program will be improved and expanded next season.

The profit split will be changed from 60/40 to 55/45 between the Kinsmen and the clubs. Entry fees will be increased by \$5 per day. It is hoped this will address some shortfalls in 2018.
