

BARC – OC General Meeting, May 3, 2016

Location: Texas Lone Star Grill, Dixon Rd., Etobicoke, ON

Start: 8pm – 9:15pm

Recorder: Moe Aye

Held By: Pat McDiarmid

Treasurer: Alisha Rashleigh

- Looking into banking online to save on fees

Membership: Pavlina Krumpochova (absent)

WRRC: Howard Cohen

- Volunteer gifts will be late, hopefully by next mtg.
- Policeforce @ CTMP to stop people from racing on streets; Howard spoke with officers to get people out to the track. Pictures on CASC forum.
- Booths at Indy did not result in getting feedback from colored tickets as to how many people showed up with complimentary tickets from WRRC booth. Also, the booth seems to promote mainly Marshalls, but not other areas of a race weekend (Pits, Grid, Timing, Scrutineering, Racers, etc.)

Social: Howard Cohen

- Have a race party to watch Montreal racing at Lonestar (June 12, 2016)

Newsletter: Pat McDiarmid

- Online now and Paul has his puppy story too
- Next newsletter will be after INDY to include that
- There is a questionnaire on the last newsletter ---→ Please answer for feedback

Regional: Paul Einarson

- July race, North American Radical Cup (3 series with 1 pack – Radical, Sprint & Libre – for a very good increased price)
- Sunday will run a bit late (not quite sure how much longer); 12 or less cars will be added to another group
- ***** sorry members, this will be amended as I have misplaced a page of my notes

CASC Race Committee: Dave King

- Driver crashes and goes back out → some drivers can't remember what happened; how can we cover ourselves so driver doesn't come back and say we did not do our job.

INDY: Scott Ellsworth

- Still nothing definitive; only confirmed thing is PITS will be driver's left

Buy & Sell:

- Bryan Rashleigh – Car trailer for sale with tire track \$2000.00, certified last July 2015
- Paul Einarson – Honda engine lawnmower \$250 (SOLD to Dave King)
- Christy Martin – 1989 CRX car parts needed (doors, hoods, etc.)
- Paul Clarke – Satellite box still for sale

Old Business:

- Dave King – Quick release wheel, they will add that to scrutineering checklist, to make sure it does not come off.
- President's meeting at CASC: re-financials; getting a committee to get people; combining races; → Pat McDiarmid will post something up when she gets the minutes from them, as we would like to know how other clubs are doing financially.
- Race schedules are not up for BEMC (Bryan Rashleigh has looked everyday to make plans on whether to race or go elsewhere) very late posting for race date.
- Scott Ellsworth – Financial loss seems to have hit every club, not just ours. Even CASC reported a loss
- Fire training – Abraham's Towing, 124 LePage Crt, North York; Saturday May 7, 2016 from 8am – 4pm (lunch provided); we have drivers out also in full gear to extricate and possibly media from Race Canada
- Training at Calabogie was good. People who could not afford hotels, they stayed at the large building and slept in that 1 room. Everyone that enrolled, got CASC rule books for free (care of MCO)

Motion to Adjourn: 1. Paul Einarson 2. Mike McDiarmid

Members attended: 19

Next Meeting: June 7, 2016 (same time, same place)
