Up Date:

In the last Newsletter : The BARC Grand Prix Salute I accidentally left off one important group. I sincerely apologize to To our Hospitality Workers without them we all would have gone hungry and thirsty; Thank you so much Brandon Rashleigh, Marlene Rashleigh, Gail Graham, Paul Coveart and Ken Graham. You are so appreciated by all the volunteers.

Can-Am Concours Howard Cohen

Yes, there are Can-Am concours cars. I know, I saw them at the Concours d'Elegance of America in Plymouth, Michigan this year. The Concours has a wide variety of cars, mostly vintage, antiques and classics but also race cars. This year Can-Am was highlighted. Do you remember what they looked like in the 60s and 70s? Well,

picture them restored, fresh mechanical, rebuilt engines, fresh paint, all ready to show their best side while standing still. Yes, I would rather see them on the track but when there is no track available, just seeing them brings back memories (did I push this car at Mosport?) and warms the racing soul. Oh, they all drove to the show field ☺ To try and describe them would be difficult, so I let my camera do all the work; some photographs are below and the rest online. They are: 1968 McLaren M8A, Mouse Motors, Chicago, IL

1969 Lola T163, M. Moss, Ottsville, PA

1969 Lola T70 Mk3B, M. Moss, Ottsville, PA

1966 Lola T70 Mark II Spyder, M. Bigioni, Pickering, ON

1967 Chinook MK.5, R. Boissoneau, Bedford, NH

1967 Shelby King Cobra, G. Mitchell, Coos Bay, OR

1971 Lola T222, C. Malatte, Timmins, ON

1973 Shadow DN-4 Coupe UOP, J. Bartel, Commerce Township, MI

1973 Porsche 917/30, R. Kaufman,

1974 Shadow DN-4 UOP, J. Bartel, Commerce Township, MI

As you can see, two of the cars reside in Ontario and the Chinook, originally built in St. Catharines, now lives in NH. The category winner was the 917/30, hands down, freshly restored by Canepa Motorsports. To see all my photographs, go to:
